Sportiness times two

Each Cayenne generation has successively raised the bar to a new higher level. The Cayenne GTS and the Cayenne Turbo S are excellent examples. A digital presentation.

All Porsche Cayenne models are high-performance athletes. The GTS and Turbo S take their skills to a new level. Their lap times are prime examples. The Cayenne Turbo S turns a lap of the North Loop at the Nürburgring in seven minutes and 59 seconds. The Cayenne GTS follows close behind at eight minutes and 13 seconds. This puts Porsche at the top in the premium SUV segment. Selected journalists may experience the new models - at the moment at a press driving presentation in Skelleftea, Sweden.
