## Angelique Kerber in Miami

The Brand Ambassador visits Porsche Latin America before her debut at the Miami Open.

Porsche Brand Ambassador Angelique Kerber, the world number 1 in women's singles tennis, is currently in Florida to play at the Miami Open. On a training free day prior to her debut into the tournament this Friday, she didn't miss out on the opportunity of visiting the office of Porsche Latin America, the Miami-based regional office for operations in Latin America and The Caribbean.

"It is a privilege to have the world's number one tennis player along with the most coveted sports cars on the planet in a city as fabulous as Miami, where Angelique once again will prove why she is at the top of the ranking," said George Wills, President and CEO of Porsche Latin America. "All PLA employees will be supporting her during the Miami Open."

### Kerber passed Williams in the latest WTA rankings

Right on time for the start to the Miami Open, Kerber passed Serena Williams in the latest WTA rankings released on Monday to claim back the top spot. The German tennis player's first match at the Miami Open in Crandon Park, Key Biscayne will be on Friday 10:00 am EST against the Chinese Duan Yingying.

Right after the Miami Open, Angelique Kerber will go to Mexico, where she will participate in the Monterrey Open, from April 3rd to the 9th.
